Haulotte Quick Up 14 QU14DC(UG38) Push-Around Boom

The **Haulotte Quick Up 14 QU14DC(UG38)** is a versatile push-around boom lift manufactured by **AHI China Company Limited** under the **Quick Lift** brand. This used unit from 2023 offers a practical solution for elevated access tasks in confined areas where maneuverability and ease of transport are essential.

Designed for single-person operation, this electric boom lift provides a stable and secure platform for maintenance, installation, and inspection work. Its compact dimensions and push-around mobility make it ideal for indoor applications with limited space.

Typical Applications

This push-around boom lift is well-suited for a variety of indoor tasks, including:

- Facility maintenance and repairs
- Electrical and lighting work
- Painting and decorating
- Stock picking and warehouse tasks
- Installation of fixtures and equipment

Key Operational Features

The Quick Up 14 QU14DC(UG38) is engineered for ease of use and reliable performance in demanding environments.

- Electric DC power for quiet, emission-free operation indoors
- Push-around design for simple positioning without a drive system
- Compact footprint for access through standard doorways
- Stabilizing outriggers for enhanced safety during operation

Equipment Inquiries

Technical Specifications

Haulotte Quick Up 14 QU14DC(UG38) Push-Around Boom (USED)

Specification	Value
Manufacturer	AHI China Company Limited
Brand	Quick Lift
Model	QU14DC(UG38)
Serial Number	225075
Year of Manufacture	2023
Condition	Used
Country of Origin	China
Working Height	13.7 m
Platform Height	11.7 m
Max. lift capacity	136 kg
Platform Dimensions	0.68 x 0.66 m
Length	1.47 m
Width	0.8 m
Height - stowed	1.99 m
Width - stabilised	2.34 m
Length - stabilised	2.7 m
Tilt bar	2.24 x 0.8 x 1.98 m
Energy (DC)	12 V
Weight - DC Models	497 kg
Max. Number of Persons	1 person
Max. Allowable Lateral Force	200 N
Max. Allowable Wind Speed	0 m/s
Max. Allowable Chassis Inclination	0°
Hydraulic Pressure	16 MPa
Rated power	1.6 kW
Electrical Insulation	Not electrically insulated
