### Full Description

## Rental ZOOLION ZS0607E Electric Scissor Lift – 7.8m Working Height

The ZOOLION ZS0607E is a modern, fully electric scissor lift designed to meet the highest standards of safety, efficiency, and sustainability. With a maximum working height of 7.8 meters and compact overall dimensions, it is ideal for both indoor and outdoor applications such as warehouse maintenance, shopping centers, exhibition halls, and construction sites.

The lift operates without any hydraulic systems, eliminating oil leaks and reducing environmental impact. Its brushless DC lifting motor and energy recovery system increase efficiency while minimizing maintenance. Equipped with advanced safety features such as pothole protection, overload sensors, auto-brake, emergency descent, and onboard diagnostics, the ZS0607E ensures reliable performance and operator safety.

Key highlights include zero emissions, quiet operation, foldable guardrails for easy transportation, and real-time platform height display. The compact design allows for easy navigation through narrow aisles and tight spaces.
